| Closer walk with God: - Weekly College Sunday School and Friday Night Fellowship - Mentorship of the student leaders | College students with a fervent heart toward God and growing in Christian disciplines | - Pray for the college students for growth and protection against sin - Grow strong fellowship among them to encourage each other in faith. |
| Loving God's church and His people: - Serve the Youth Group (SS, Informal Discipleship) - Serve the Church (VBS, Worship) | - Have College Students with a balanced view of service to the Lord and to rest in His grace. - Serve out of joy and love for God and people rather than obligation | - Mentor the student leaders about Christian service - Emphasize to them that we care most about their growth in Christ rather than maintaining programs |
| Share the love with the World: - Encourage them to attend Urbana Missions Conference - Outreach/fun events for the college students to invite their friends | - College students to be more active in sharing the gospel with their friends and classmates | - Pray for the non-Christian friends they have a burden for - Create opportunities for those friends to visit our church - Care for the non-Christians who visit our church |
